

## Position Description (PD) for Yucca Mountain Lead Lab Activities

Position Description Number	YM025	
Creation Date of PD	07/02/06	
Job Title	Licensing Support Network Specialist	
SNL Dept Name	License Assessment & Technical Analysis	
SNL Org Number (or TBD)	06853	
Number of Openings	4	
Description of Position	<p>The Licensing Support Network (LSN) Team is part of the Regulatory Compliance Group within the Lead Laboratory's Licensing Department. The LSN Team will be responsible for (1) managing the Lead Laboratory's LSN system in adherence with the stipulated NRC requirements and (2) support DOE's re-certification of the LSN system. This will entail (1) leading a team of 7 or 8 individuals in the implementation and management of the Lead Laboratory's LSN system, (2) ensuring that all Lead Laboratory organizations and workforce (e.g., SNL, other national laboratories, subcontractors and consultants) are conducting their work activities in compliance with LSN requirements through training and the conduct of periodic audits, and (3) reviewing submissions to the LSN system for proper classification, among other things. LSN Specialists will report to the LSN Team Lead and will assist this individual in carrying out the work activities of the LSN Team.</p>
